

1. Webinar on Making Productivity a Habit

A Webinar titled Making Productivity a Habit was organized by Women Development Cell in association with IWN and CII of Telangana on 21-09-2021.

Mrs. Smriti Goel, Founder of “The Coaching Anchor” spoke about productivity, how to plan and strategize the goals. She also gave piece of advice to students to have good conduct and discipline.

There were 51 participants with audience comprising of both students and faculty. The event was interactive and the last ten minutes was dedicated for question answers in which our respected Director Dr.J.N Murthy garu also participated along with other faculty members. The event was convened by Dr.G.Mamatha Professor, department of ECE and WDC coordinator and the event coordinator was P. Sirisha, Assistant Professor of EEE.

Mrs. Smriti Goel

2. Breast and Cervical Cancer Awareness Programme

Breast and Cervical Cancer Awareness Programme was conducted by Women Development Cell in association with SLG Hospital Nizampet on 11-10-2021. Mrs. Chandana Asst. Professor, department Civil Engineering welcomed the guest speaker by a bouquet.

Dr. Archana Prathipati MBBS MD DNB ESMO (FRCR) Consultant Radiation Oncologist created awareness on breast and Cervical Cancer by a very useful and interesting presentation. Participants were able to understand the causes, symptoms, remedial measures of both the type of cancers and availability of vaccinations against cervical cancer disease. Further queries posed by the participants were clarified by the speaker.

The speaker was honoured by Dr. Swetha HoD of department of ECE and Dr. G. Mamatha WDC coordinator. The meeting ended by a vote of thanks by Dr. Jyothi, Professor of Mechanical Engineering. Around two hundred and fifty students and faculty members attended the programme.

Dr. Archana Prathipati

3. Panel discussion on the occasion of National Girl Child Day celebration

On the event of Girl child day on 24th Jan 2022, a panel discussion was conducted. In this event 28 members, including staff and students of GRIET participated. The event was hosted jointly by Ms.P.Nethra of IV ECE A section and Dr.G Mamatha. The Panel members consisting of our Director, heads of the departments, deans, WDC committee members and Student representatives discussed issues related to Girl Child Safety. It was emphasized that there is a need of development of right attitude, empathy alertness, boldness, good communication with parents, awareness of laws among students. It was instructed to take the help of government apps such as Hawk Eye, phone numbers 112 and 100 and SHE teams at the time of crisis.

4. International Women's Day celebrated at GRIET 2022

International women's day was celebrated on 8th March 2022 at Gokaraju Rangaraju Institute of Engineering and Technology (GRIET). GRIET is established in 1997 by Dr. G Ganga Raju as a self-financed institute under the aegis of Gokaraju Rangaraju Educational Society. GRIET is approved by AICTE, New Delhi, permanently affiliated to and autonomous under JNTUH, Hyderabad. GRIET is committed to quality education and is known for its innovative teaching practices.

The program began with a video which reflected the theme of International Women's Day- "Break the Bias" with the women faculty of G.R.I.E.T, who posed the sign saying the same which was drawn from Collective Individualism.

After the presentation the Chief Administrator Sri M.G. Sekharam garu, the chief guest of honour Dr. G. Jalaja Veronica, the principal of the GRIET Dr. J. Praveen garu, Principal of GRCP Dr. Giriraj Kulkarni, Coordinator of WDC and Chairperson ASHC Dr. G. Mamatha were invited on to the Dias. Then the guests and audience joined for Jyoti Prajwalana and offered prayer to seek the divine blessings.

The celebrations started with a lot of enthusiasm and fanfare marking the Economic, Social, cultural and political achievements made by women over the years.

Dr. G. Mamatha addressed the gathering and spoke on the importance of celebrating women's day. She proudly mentions "Women are an epitome of selflessness, love, beauty and sacrifice." This sentiment was shared by many.

Dr. Giriraj Kulkarni garu in his presentation praises the Indian culture by giving us a small example, contrary to popular belief. He says, "Indian culture teaches us to respect women by praying to all the goddesses." Sir appreciates the power of women from the olden days to the very present in a pretty major way.

Dr. J Praveen garu talked on the importance of women in his life. He highlighted that women are very efficient, can multitask and thus are good leaders. He praised the puranas, claiming that women are recognised for their wealth, wisdom, courage, purity, and love.

Our respected CEO of Gokaraju Educational Society Sri M.G. Sekharam garu conveyed best wishes to all women on the occasion of International Women's Day.

Dr. Jandhyala N Murthy garu, Director of G.R.I.E.T discussed that some of the women alumni of GRIET joined later as faculty and are now supporting the college in various important roles. "Women are the reason we are in this world," he said. "We will only succeed when women can go out in the dark without fear," he says at the end of his address.

Dr.G. Jalaja, M.D. Veronica oversaw the COVID facility in King Koti and volunteered at the Unicorpse Health Foundation. She discussed the issues that women still confront. She asks everyone in the room to keep an eye out for ladies who are in need. Her parents, she proudly declares, are her greatest inspiration and have always supported her throughout her life. She emphasises the significance of the colours chosen for the occasion. "Purple represents dignity, green represents hope, and white represents unification." On this event around 250 Women faculty and 150 students gathered and participated.

Chief Guest of the program was felicitated by WDC members in the presence of dignitaries. AICTE awards were given to female students from the college in a variety of categories. Simultaneously, NSS-GRIET conducted full health camp to all the women staff, faculty and students of GRIET in association with SLG Hospital.

Lunch was arranged for all women teaching and nonteaching faculty members of GRES Professional Institutions. After a short lunch break, second session started for mainly house keeping staff. An

Awareness Programme on Nutrition by Dr. Subba Rao M Gavaravarapu garu, Scientist-F from National Institute of Nutrition was organized by WDC. As a part of activities on this day, GRIET WDC coordinators collected the old cloths from the staff and donated to needy people as a charity service along with sanitation kits.

During the closing remarks of the program, pride and admiration of the event was expressed, commenting “the event is very successful. It is so good to see all the women faculty and students come together to celebrate such an important day. Finally WDC Coordinator, Dr.G.Mamatha gave vote of thanks. She thanked the GRES management CEO Sri M.G. Sekharam garu, Director Dr. Jandhyala N Murthy garu, Principal GRIET, Dr.J Praveen garu, SAO of GRIET Dr.KSN Raju garu profusely for their whole hearted support. She also thanked HODs, WDC coordinators and Student coordinators and office staff. The vote of thanks was given by Dr. J. Sridevi, Student Advisor WIE and Dean Internships.

Finally, the event was concluded by singing the National Anthem. In the end soaps were distributed among house keeping staff.
