

GOKARAJU RANGARAJU Institute of Engineering and Technology

Gokaraju Rangaraju Institute of Engineering and Technology (Autonomous), Hyderabad, established in 1997, with a mission to provide quality education with an emphasis on practical skills and social relevance. The college is UGC Autonomous institution affiliated to JNTUH, Hyderabad and is accredited by NAAC with an 'A' Grade. GRIET offers 6 B.Tech and 9 M.Tech programmes. All UG & PG programs are accredited by NBA. College has excellent infrastructure, state of the art labs, R&D activities, qualified faculty from both industry and academia create a conducive teaching learning environment.

About EDC:

EDC-GRIET was setup in the year 2005 with the vision to develop an ecosystem in the college conducive for students to explore new avenues through innovation and imagination and thereby develop products and services which are useful to the society. The mission of EDC is to increase the number of startups and to instill the ability of enterprising among students.

The Institution has created a conducive ecosystem for Innovations and Entrepreneurship by setting up EDC, E-Cell, Incubation and J-Hub and giving a special course on Entrepreneurship in association with Wadhvani Global

Programme objective:

In compliance with the Work Programme of EDC-GRIET, this activity aims to: i) Promote an exchange of experiences accumulated in various programmes for development of entrepreneurs; ii) Analyse the progress made on entrepreneurship at the regional level, evaluating the causes of its development; iii) Encourage business organization in sectors that represent economic and social opportunities and promote the creation, among other mechanisms in entrepreneurship, of national systems of business incubators; iv) Consider features and prospects for dynamic enterprises; v) Consider and suggest new mechanisms for financing the entrepreneurial process, such as seed capital funds, networks of angel investors and venture capital funds.

The specific objectives of this seminar are as follows:

1. Promotion of business training programmes and national incubation systems in sectors that represent economic and social opportunities in the countries of the region.
2. Conduction of a Regional Seminar-Workshop on entrepreneurship and development of projects for the creation of business incubators in the countries of the region.
3. Identification of successful institutions that promote business development programmes.
4. Dissemination of business development strategies and programmes.

Programme outcomes

At the end of the workshop students/ faculty will be able to:

- Understand the basic concepts of Entrepreneurship and its Applications to current industry.
- Gain awareness and knowledge on Entrepreneurship.
- Impart Entrepreneurial skills

Who can participate?

- Students from Engineering Colleges.
- Faculty Members from Engineering/PG Colleges.

GOKARAJU RANGARAJU Institute of Engineering and Technology (Autonomous) Workshop On Startup culture (01 October 2015)

REGISTRATION FORM
