Dear Sai Kiran,

I'm happy to inform you, on behalf of the SMA team, that we have selected you as a GRSS Social Media Ambassador (SMA)! Congratulations on your selection and we're excited to have you on the team!

I serve GRSS as the GRSS SMA Chair, Mr. Mustafa Ustuner serves as the GRSS SMA Lead, and Dr. Mariko Burgin is the GRSS Vice-President for Information Resources who oversees the GRSS SMA Program and other IR related activities within GRSS. We're an informal team, so feel free to address us with our first names and reach out any time you need to.

A couple of things to keep in mind:

   *   Your selection comes with a 6 month probation period. This is a formality to make sure you integrate well into the team & GRSS. After you have successfully concluded this period, we'll bring you on as a full GRSS SMA and you'll be provided with a GRSS-sponsored tablet.
   *   The appointment officially starts in a week.
   *   Mustafa will be your main point of contact (though he is unavailable till the 25th) and Mariko & I will help out as needed (so keep us cc-ed).
   *   While you have now been officially selected, you should hold off on starting to post for GRSS for a little while longer until we get a chance to train you. We will hold a training session with you to get you up to speed. Mustafa will get in touch with you soon to get your social media accounts in order or established.
   *   We will be adding you on our IEEE-GRSS slack channel & connect with you on WhatsApp so that we can have frequent communications. Feel free to interact, be engaged, and brainstorm!

Please let us know if you have any questions or concerns.

Sincerely,
Sid, Mariko, and Mustafa

GokarajuRangaraju Institute of Engineering and Technology

Embracing Innovation in Education
to Transform into an
Epicenter of Creative Solutions

The institute aims to provide an integrated learning environment to enable students to grow towards their full potential and meet high expectations of the industry and the society.

E stablished in 1997 in the serene hilly premises in Bachupally, **GokarajuRangaraju Institute of Engineering and Technology (GRIET)** aims to achieve and impart quality education with an emphasis on practical skills and social relevance. It is connected to all the facilities and conveniences of Hyderabad. The college is affiliated to Jawaharlal Nehru Technological University Hyderabad (JNTUH) with recognition as an autonomous institution by UGC. It aims to provide quality teaching–learning environment, and their efforts are vindicated by recognitions such as accreditation by NAAC with A grade, accreditations by NBA for all UG B. Tech programs and eight PG M. Tech programs, SIRO recognition by DSIR, and ranking by NIRF. The college has state of art infrastructure, support services, and qualified faculty. It is one of the preferred institutions in the state and constantly endeavors to bring in the best practices in teaching–learning environment.

Plethora of Educational Facilities

GRIET offers a variety of academic programs to transform students into seasoned professionals. Among the wide range of offerings, some include B. Tech in CSE, ECE, EEE, Mech,Civil, and IT. It also offers M.Tech in Software Engineering, Computer Science Engineering, VLSI, Embedded Systems, Power Electronics, Power Systems, Design for Manufacturing, Thermal Engineering, and Structural Engineering.

The Victory Road

GRIET, right from inception, stood out as synonym for a great institution for quality education. Within no time, it became one of the most preferred institutions for engineering education in the state. After two decades, it continues to maintain its rankings,thanks to the committed management, dynamic administration, and qualified and dedicated staff. Throughout its illustrious journey of imparting excellent educational and career opportunities, GRIET has achieved many noteworthy landmarks. The college has been ranked and recognized as the Top Engineering College in India in various surveys conducted by Careers 360, CSR-GHRDC, Education World, Higher Education Review, Career Connect, and Times of India. The Department of Scientific and Industrial Research, Ministry of Science and Technology, Government of India has granted SIRO Accreditation to GRIET. The college has also received TEQIP-II grant from World Bank through MHRD, Government of India. Additionally, it has received 1ˢᵗprize in AICTE ChatthraViswa Karma Award, 1ˢᵗprize in AICTE Smart India Hackathon, and many more accolades.

The Gems of GRIET

The college has produced numerous graduates over the years who have made their mark in various walks of life and are making the institute proud with their innovative and dedicated maneuvers. *Smt Swetha Mohanty, IAS*, is an alumnus of GRIET. She is presently working as District Collector, Wanaparthy District, Telangana. *P.S.V. Kishan* is the *CEO* of *H-Bots Robotics*. Under his guidance H-Bots is working on a Project for world's second humanoid police robot for commercial deployment in the city of Hyderabad. *Sri Ram Aditya*, Movie Director, an alumnus of GRIET, has directed popular Telugu films like *BhaleManchiRoju, Shamanthakamani,*and so on.

Major Events Organized

GRIET not only focuses on academic and career development of students, but also conducts events, which give wings to their imagination and boosts their creative streak. Their annual flag ship programs like Pulse, Pragnya, and Reudo are popular in the state of Telangana and attract huge participation from engineering colleges all over India. Some other notable events organized by the college include:Spices: Cooking Competition; X Kernel: Programming Contest; Scientific Forestep: Core Engineering Competencies; and Spiral: Literature and Diction Capabilities. Students of ISTE, IETE, IEEE, SAE, IE, and other branches conduct various events for the benefit of student community.

The Career Landscape

The college offers students the opportunity to explore their potential and build their own career pathway. They are encouraged to grow and achieve their full potential to meet individual aspirations and societal expectations. Right from the beginning through orientation and induction programs, the college educates students about various career opportunities and continuously mentors and counsels them. Periodic assessment and appropriate training is given to hone essential skills required to excel in their chosen paths. The consistent career placement record vindicates their untiring efforts.

The Insightful Leader

The person who stands out amongst the contributors to the growth of the institute is **Dr. Jandhyala N Murthy**, the **Director**. He became the second principal of the college in 2004 and later assumed the role of director, which he holds till date.

With a focus on enhancing practical skills in engineering education, Dr. Jandhyala created excellent infrastructure for the laboratories and also structured the curriculum to have more engagement in the labs, thus paving the way for learning by doing.

Research Methodology

An extensive 4 weeks of fieldwork was conducted beginning the 1st week of April 2018 to 4th week of April 2018.

MODULE 1 | DESK RESEARCH - LIST OF ENGINEERING COLLEGES FOR THE SURVEY

The module 1 was a secondary research module. A comprehensive list of engineering colleges was generated with the help of internet, magazines and other publications. The various sources used for generation of engineering college list included:

- List of colleges/ universities from previous surveys
- A discussion with industry experts to add/ delete any college to ensure we have a comprehensive list

However, it is not possible to get an exhaustive list of colleges and include them in the survey. To give equal chance to all, we had an option of adding any new college name in the survey form if any respondent mentioned any college name outside our list. Effectively, every engineering college had a chance of getting covered in the survey if their name was mentioned by the respondents.

MODULE 2 | FACTUAL DATA COLLECTION

In module 2, more than 800 engineering colleges were sent the factual data questionnaire and then rigorously followed up through different modes such as telephone, email and even face-to-face if required.

The factual data sheet was focused on the following information areas:

- General information of the college: Establishment, College type, Affiliation etc.
- Courses offered & number of seats
- Infrastructure
- Faculty
- Intellectual capital
- Industry interface
- Placement
- Potential to network
- Exchange programs & Global exposure
- Research Orientation & focus
- Alumni chapter

TIMES ENGINEERING INSTITUTE RANKING SURVEY 2018

The objective of this research was to identify and rank Top Engineering Colleges in India. The research had 3 major modules i.e. Desk Research, Factual survey & Perceptual Rating survey followed by scientifically developed analaysis & ranking process.

📄 51 ENGINEERING INSTITUTES TO LOOK OUT FOR

NAME OF THE INSTITUTE	CITY	SINCE	WEBSITE	USP
ABES ENGINEERING COLLEGE (ABESEC)	GHAZIABAD, UTTAR PRADESH	2000	abes.ac.in	The Centre of Excellence for Teaching and Learning (CETL) conducts professional development activities for the faculty
ACCURATE INSTITUTE OF MANAGEMENT AND TECHNOLOGY	GREATER NOIDA, UTTAR PRADESH	2006	accurate.in	The teaching-learning methodology is a unique mix of imagination, innovation and challenges that helps in all-round development of the students
AJAY KUMAR GARG ENGINEERING COLLEGE (AKGEC)	GHAZIABAD, UTTAR PRADESH	1998	akgec.in	AKGEC is India's first college to set up the Industrial Robotic Training Centre in collaboration with Kuka Robotics of Germany
ALLIANCE COLLEGE OF ENGINEERING AND DESIGN, ALLIANCE UNIVERSITY	BENGALURU, KARNATAKA	2010	alliance.edu.in	The institute has partnerhips with foreign universities and institutions for student exchange, internships and short-term certification programmes
BABU BANARASI DAS INSTITUTE OF TECHNOLOGY (BBDIT)	GHAZIABAD, UTTAR PRADESH	2000	bbdit.edu.in	The institute runs collaborative masters programmes in engineering branches with Gannon University, US
BHARATH INSTITUTE OF SCIENCE AND TECHNOLOGY, BHARATH INSTITUTE OF HIGHER EDUCATION AND RESEARCH (BIHER)	CHENNAI, TAMIL NADU	1984	bharathuniv.ac.in	The institute offers guidance to the students preparing for national level entrance tests such as GATE, IES and GRE
FACULTY OF ENGINEERING & TECHNOLOGY, AKS UNIVERSITY	SATNA, MADHYA PRADESH	2012	aksuniversity.ac.in	In addition to the four-year B Tech programmes, the institute also offers three-year Diploma programmes in mechanical, civil and electrical engineering.
FACULTY OF ENGINEERING AND TECHNOLOGY, KALINGA UNIVERSITY	RAIPUR, CHHATTISGARH	2011	kalingauniversity. ac.in/Default.aspx	The institute offers value-addition programmes on computer application, training on 2D and 3D design, robotics and e-commerce
FACULTY OF ENGINEERING & TECHNOLOGY, REVA UNIVERISTY	BENGALURU, KARNATAKA	2012	reva.edu.in	The university has a partnership with Entrepreneurship Development Institute of India (EDII), Ahmedabad to boost a culture of entrepreneurship
FACULTY OF ENGINEERING & TECHNOLOGY, SGT UNIVERSITY	GURGAON, HARYANA	2013	sgtuniversity.ac.in	The Learners' Centric Academic Environment has adapted to unique techniques such as flexible-slot-based timetable, and flexible research integrated credit system
FACULTY OF ENGINEERING, CHRIST UNIVERSITY	BENGALURU, KARNATAKA	1969	christuniversity.in	The campus has students from across India and around 60 different countries
FACULTY OF ENGINEERING, DESIGN AND AUTOMATION, GNA UNIVERSITY	PHAGWARA, PUNJAB	1946	gnauniversity. edu.in	Each programme at the institute is a mix of foundation courses, core courses, elective courses, interdisciplinary courses and lifeskill courses designed as per the industry
G L BAJAJ INSTITUTE OF TECHNOLOGY AND MANAGEMENT	GREATER NOIDA, UTTAR PRADESH	2005	glbitm.org	The institute has an e-learning studio so that students can learn through video lectures
GITAM INSTITUTE OF TECHNOLOGY (GIT)	VISAKHAPATNAM, ANDHRA PRADESH	1980	vspgit.gitam.edu	The curriculum is designed by academic experts from some of the best institutes in the country and industry personnel and is revised once in every three years.
GOKARAJU RANGARAJU INSTITUTE OF ENGINEERING AND TECHNOLOGY (GRIET)	HYDERABAD, TELANGANA	1997	griet.ac.in	The Finishing School launched at GRIET help academically weak students from the first year itself to complete their course successfully
GREATER NOIDA INSTITUTE OF TECHNOLOGY (GNIOT)	GREATER NOIDA, UTTAR PRADESH	2001	gniotgroup.edu.in	Infosys, Reliance, American Express, Axis Bank, Accenture and Jaypee Group are the top recruiters at GNIOT
HINDUSTAN INSTITUTE OF TECHNOLOGY & SCINCE (HITS)	CHENNAI, TAMIL NADU	1985	hindustanuniv.ac.in	HITS has collaborative partnerships with leading universities in the US, Singapore and Australia for students and faculty exchange programmes

List of Engineering Colleges

At sarvgyan.com, we have listed the top engineering colleges in Hyderabad for the academic session 2018-19. The list is comprised of all the deemed, government, private & autonomous institutions, including Indian Institute of Technology (IIT).

How we have rated the Institutions

On the basis of several factors, we have rated all the listed colleges after a complete research. These factors are national importance & reputation, academic excellence, building and infrastructure, student's preferences, facilities provided by the college, placement cell services, advanced technology education, etc.

Admission Procedure

The admission to the B.Tech & B.Arch courses in Hyderabad city will be based on JEE Main 2018 score. Candidates, those seeking admission to the IIT Institution, they have to qualify JEE Advanced 2018 examination. Candidates will also apply for AP EAMCET 2018 & TS EAMCET 2018 examinations to get admission into engineering courses. For admission to the B.Tech (LE) course, candidates must appear in AP ECET 2018 & TS ECET 2018 exams. Some of the reputed universities will organize its own entrance test for providing admission to B.Tech programme, i.e. BITSAT 2018, VSAT 2018, GITAM GAT 2018, etc. The admission to the PG engineering course will be done on the basis of GATE 2018 scorecard.

List of Engineering Colleges

At Sarvgyan.com, we have created a list of top engineering colleges in Telangana for the academic session 2018-19. This list includes IIT Hyderabad, NIT Warangal & many other government & private colleges.

How we have rated the Institutions

In our list, we have rated the colleges and universities on the grounds of different factors which are important for quality education & better future prospects. We have rated the colleges on academic excellence, college affiliation & approval, quality of education, placement records, college infrastructure & facilities, student's preferences, etc.

Admission Procedure

Students seeking for admission in B.Tech courses can apply through TS EAMCET (state level exam) and JEE Main (national level exam). Admission in M.Tech courses will be done on the basis of GATE & TS PGECET scores. Birla Institute of Technology & Science organizes its separate entrance test (BITSAT) for providing admission in B.Tech, B.Pharma & other courses. Candidates can appear anyone from the above mentioned exams for admission in UG & PG engineering courses.

Research Methodology

An extensive 4 weeks of fieldwork was conducted beginning the 1st week of April 2018 to 4th week of April 2018.

MODULE 1 | DESK RESEARCH - LIST OF ENGINEERING COLLEGES FOR THE SURVEY

The module 1 was a secondary research module. A comprehensive list of engineering colleges was generated with the help of internet, magazines and other publications. The various sources used for generation of engineering college list included:

● List of colleges/ universities from previous surveys
● A discussion with industry experts to add/ delete any college to ensure we have a comprehensive list

However, it is not possible to get an exhaustive list of colleges and include them in the survey. To give equal chance to all, we had an option of adding any new college name in the survey form if any respondent mentioned any college name outside our list. Effectively, every engineering college had a chance of getting covered in the survey if their name was mentioned by the respondents.

MODULE 2 | FACTUAL DATA COLLECTION

In module 2, more than 800 engineering colleges were sent the factual data questionnaire and then rigorously followed up through different modes such as telephone, email and even face-to-face if required.

The factual data sheet was focused on the following information areas:
● General information of the college: Establishment, College type, Affiliation etc.
● Courses offered & number of seats
● Infrastructure
● Faculty
● Intellectual capital
● Industry interface
● Placement
● Potential to network
● Exchange programs & Global exposure
● Research Orientation & focus
● Alumni chapter

Research Methodology

An extensive 4 weeks of fieldwork was conducted beginning the 1st week of April 2018 to 4th week of April 2018.

MODULE 1 | DESK RESEARCH - LIST OF ENGINEERING COLLEGES FOR THE SURVEY

The module 1 was a secondary research module. A comprehensive list of engineering colleges was generated with the help of internet, magazines and other publications. The various sources used for generation of engineering college list included:

- List of colleges/ universities from previous surveys
- A discussion with industry experts to add/ delete any college to ensure we have a comprehensive list

However, it is not possible to get an exhaustive list of colleges and include them in the survey. To give equal chance to all, we had an option of adding any new college name in the survey form if any respondent mentioned any college name outside our list. Effectively, every engineering college had a chance of getting covered in the survey if their name was mentioned by the respondents.

MODULE 2 | FACTUAL DATA COLLECTION

In module 2, more than 800 engineering colleges were sent the factual data questionnaire and then rigorously followed up through different modes such as telephone, email and even face-to-face if required.

The factual data sheet was focused on the following information areas:

- General information of the college: Establishment, College type, Affiliation etc.
- Courses offered & number of seats
- Infrastructure
- Faculty
- Intellectual capital
- Industry interface
- Placement
- Potential to network
- Exchange programs & Global exposure
- Research Orientation & focus
- Alumni chapter

TIMES ENGINEERING INSTITUTE RANKING SURVEY 2018

The objective of this research was to identify and rank Top Engineering Colleges in India. The research had 3 major modules i.e. Desk Research, Factual survey & Perceptual Rating survey followed by scientifically developed analysis & ranking process

📃 51 ENGINEERING INSTITUTES TO LOOK OUT FOR

NAME OF THE INSTITUTE	CITY	SINCE	WEBSITE	USP
ABES ENGINEERING COLLEGE (ABESEC)	GHAZIABAD, UTTAR PRADESH	2000	abes.ac.in	The Centre of Excellence for Teaching and Learning (CETL) conducts professional development activities for the faculty
ACCURATE INSTITUTE OF MANAGEMENT AND TECHNOLOGY	GREATER NOIDA, UTTAR PRADESH	2006	accurate.in	The teaching-learning methodology is a unique mix of imagination, innovation and challenges that helps in all-round development of the students
AJAY KUMAR GARG ENGINEERING COLLEGE (AKGEC)	GHAZIABAD, UTTAR PRADESH	1998	akgec.in	AKGEC is India's first college to set up the Industrial Robotic Training Centre in collaboration with Kuka Robotics of Germany
ALLIANCE COLLEGE OF ENGINEERING AND DESIGN, ALLIANCE UNIVERSITY	BENGALURU, KARNATAKA	2010	alliance.edu.in	The institute has partnerhips with foreign universities and institutions for student exchange, internships and short-term certification programmes
BABU BANARASI DAS INSTITUTE OF TECHNOLOGY (BBDIT)	GHAZIABAD, UTTAR PRADESH	2000	bbdit.edu.in	The institute runs collaborative masters programmes in engineering branches with Gannon University, US
BHARATH INSTITUTE OF SCIENCE AND TECHNOLOGY, BHARATH INSTITUTE OF HIGHER EDUCATION AND RESEARCH (BIHER)	CHENNAI, TAMIL NADU	1984	bharathuniv.ac.in	The institute offers guidance to the students preparing for national level entrance tests such as GATE, IES and GRE
FACULTY OF ENGINEERING & TECHNOLOGY, AKS UNIVERSITY	SATNA, MADHYA PRADESH	2012	aksuniversity.ac.in	In addition to the four-year B Tech programmes, the institute also offers three-year Diploma programmes in mechanical, civil and electrical engineering.
FACULTY OF ENGINEERING AND TECHNOLOGY, KALINGA UNIVERSITY	RAIPUR, CHHATTISGARH	2011	kalingauniversity. ac.in/Default.aspx	The institute offers value-addition programmes on computer application, training on 2D and 3D design, robotics and e-commerce
FACULTY OF ENGINEERING & TECHNOLOGY, REVA UNIVERISTY	BENGALURU, KARNATAKA	2012	reva.edu.in	The university has a partnership with Entrepreneurship Development Institute of India (EDII), Ahmedabad to boost a culture of entrepreneurship
FACULTY OF ENGINEERING & TECHNOLOGY, SGT UNIVERSITY	GURGAON, HARYANA	2013	sgtuniversity.ac.in	The Learners' Centric Academic Environment has adapted to unique techniques such as flexible-slot-based timetable, and flexible research integrated credit system
FACULTY OF ENGINEERING, CHRIST UNIVERSITY	BENGALURU, KARNATAKA	1969	christuniversity.in	The campus has students from across India and around 60 different countries
FACULTY OF ENGINEERING, DESIGN AND AUTOMATION, GNA UNIVERSITY	PHAGWARA, PUNJAB	1946	gnauniversity. edu.in	Each programme at the institute is a mix of foundation courses, core courses, elective courses, interdisciplinary courses and lifeskill courses designed as per the industry
G L BAJAJ INSTITUTE OF TECHNOLOGY AND MANAGEMENT	GREATER NOIDA, UTTAR PRADESH	2005	glbitm.org	The institute has an e-learning studio so that students can learn through video lectures
GITAM INSTITUTE OF TECHNOLOGY (GIT)	VISAKHAPATNAM, ANDHRA PRADESH	1980	vspgit.gitam.edu	The curriculum is designed by academic experts from some of the best institutes in the country and industry personnel and is revised once in every three years.
GOKARAJU RANGARAJU INSTITUTE OF ENGINEERING AND TECHNOLOGY (GRIET)	HYDERABAD, TELANGANA	1997	griet.ac.in	The Finishing School launched at GRIET help academically weak students from the first year itself to complete their course successfully
GREATER NOIDA INSTITUTE OF TECHNOLOGY (GNIOT)	GREATER NOIDA, UTTAR PRADESH	2001	gniotgroup.edu.in	Infosys, Reliance, American Express, Axis Bank, Accenture and Jaypee Group are the top recruiters at GNIOT
HINDUSTAN INSTITUTE OF TECHNOLOGY & SCINCE (HITS)	CHENNAI, TAMIL NADU	1985	hindustanuniv.ac.in	HITS has collaborative partnerships with leading universities in the US, Singapore and Australia for students and faculty exchange programmes

List of Engineering Colleges

At sarvgyan.com, we have listed the top engineering colleges in Hyderabad for the academic session 2018-19. The list is comprised of all the deemed, government, private & autonomous institutions, including Indian Institute of Technology (IIT).

How we have rated the Institutions

On the basis of several factors, we have rated all the listed colleges after a complete research. These factors are national importance & reputation, academic excellence, building and infrastructure, student's preferences, facilities provided by the college, placement cell services, advanced technology education, etc.

Admission Procedure

The admission to the B.Tech & B.Arch courses in Hyderabad city will be based on JEE Main 2018 score. Candidates, those seeking admission to the IIT Institution, they have to qualify JEE Advanced 2018 examination. Candidates will also apply for AP EAMCET 2018 & TS EAMCET 2018 examinations to get admission into engineering courses. For admission to the B.Tech (LE) course, candidates must appear in AP ECET 2018 & TS ECET 2018 exams. Some of the reputed universities will organize its own entrance test for providing admission to B.Tech programme, i.e. BITSAT 2018, VSAT 2018, GITAM GAT 2018, etc. The admission to the PG engineering course will be done on the basis of GATE 2018 scorecard.

List of papers published:

"A Genetic Algorithm based Clustering Algorithmfor Wireless Sensor Network to enhance the Network Lifetime" Accepted in IEEEICAA-2017, Hyderabd, to be held in 5th-7th Jan 2017.7.

"Analysis of Random way point and Random walkMobility Model for Reactive Routing Protocols using NetSim Simulator" in proc. of3rd International Conference On Artificial Intelligence, Modelling and Simulations(AIMS 2015), pp. 427-432, UMS, Malaysia, Dec. 2-5, 20158.

"Analysis of DSR protocol for MANETunder black-hole and sink-hole attacks using NetSim Simulator" in Proc. of International conference on Innovations in Computing and Communications"(ICICC-2015), pp-25-30, BVRIT, Hyderabad.National Conference9.

"Comparative analysis ofAODV and DSR routing protocol for PAN using NetSim Simulator" Accepted inNational Conference on Innovation, Advancements and Computing, GitamUniversity, 28th- 29th March 2014.

"Impact of Random Mobility Models of ReactiveRouting Protocols over MANET" Accepted in International Journal of Simulations,Systems, Science and Technology (IJSSST), Vol. 17, Issue 34, October 2016.2.

"Impact of Black-hole and Sink-holeAttack on Routing Protocols for WSN" International Journal of ComputerApplications (0975-8887), Vol. 116, No. 4, pp. 42-46, April 2015. 3.

"Analysis of DSR protocol for MANETunder black-hole and sink-hole attacks using NetSim Simulator" International Journalof Electronics Communication and Computer Technology (IJECCT) (ISSN:2249-7838), Vol. 5 Issue ICICC (May 2015), pp. 10-14.4.

"Comparison of Routing protocols using NetSimSimulator: LEACH Vs LEACH-C" International Journal of Computer Applications(0975-8887), Vol. 106, No. 11 , pp. 1-6, Nov. 2014.5.

"Comparative study of DSR,AODV routing protocol for WPAN using NetSim Simulator", International Journal ofAdvanced Research in Computer Science, ISSN: 0976-5697, pp. 254-257, Vol.-5, No.4, May 2014

Certificate of Excellence

This is to certify that

Srikanth Mallela

Successfully completed an AICTE approved Four-week Faculty Development Programme (FDP) on

Use of ICT in Education for Online and Blended Learning

Conducted by Indian Institute of Technology Bombay
from May 2nd, 2016 to July 10th, 2016

and

is amongst the top performers of the programme (Top 253 out of 4051 registered participants),
and is conferred an "Award of Excellence" sponsored by SAP India Pvt. Ltd.

*(Online activity equivalent to three week from Monday 2 May to Sunday 10 July 2016 and
Physical participation at Remote Center on 14, 15 May; 4, 5 June; 25 and 26 June 2016)*

This FDP was held under the National Mission on Education through ICT (MHRD), and was funded by
SAP India Pvt. Ltd through CSR grants.

RESEARCH METHODOLOGY — TOP ENGINEERING COLLEGES IN INDIA

The objective of this research was to identify and rank Top Engineering Colleges in India. The research had 3 major modules i.e. Desk Research, Factual survey & Perceptual Rating survey followed by scientifically developed anlaysis & ranking process.

An extensive 6 week of fieldwork was conducted beginning the 3rd week of March 2017 to 4th week of April 2017.

Module 2
Factual Data Collection

Module 1
Desk Research

Module 3
Perceptual Survey

Analysis of Data & Final Rankings

MODULE 1 | DESK RESEARCH - LIST OF ENGINEERING COLLEGES FOR THE SURVEY

The module 1 was a secondary research module. A comprehensive list of engineering colleges was generated with the help of internet, magazines and other publications. The various sources used for generation of engineering college list included:
- List of colleges/ universities from previous surveys
- A discussion with industry experts to add/ delete any college to ensure we have a comprehensive list

However, it is not possible to get a completely exhaustive list of college and include them in the survey, we had option of adding any new college name in the survey form if any respondent mentioned any college name outside our list. Effectively, every engineering college had a chance of getting covered in the survey if their name was mentioned by the respondents.

MODULE 2 | FACTUAL DATA COLLECTION

In module 2, more than 700 engineering colleges were sent the factual data questionnaire and then rigorously followed up through different modes such as telephone, email and even face-to-face if required.

The factual data sheet was focused on the following information areas:
- General information of the college: Establishment, College type, Affiliation etc.
- Courses offered & number of seats
- Infrastructure
- Faculty
- Intellectual capital
- Industry interface
- Placement
- Potential to network
- Exchange programs & Global exposure
- Research Orientation & focus
- Alumni chapter

St. Peter's Engineering College –
A CENTER FOR PROGRESSIVE THOUGHT AND RESEARCH EXCELLENCE

St. Peter's Engineering College is a nurturing ground for an individual's overall development that enables them to effectively contribute to the new vibrant society in the new environs. This premier abode of higher learning offers a good quality teaching faculty-learner programs for the student to excel and make them a great leader in his/her chosen areas of study for making a positive contribution to the Nation.

SPEC offers courses/programs that have ample scope for research and development relevant to the general and specific needs of students. It also offers restructured programs that reflects the spirit of changing times and needs. SPEC stands for bringing awareness on the knowledge achieved for teaching skills for the further progress and for sowing seeds on finer thoughts, values and dreams of human race.

Established in the year 2007, St. Peter's Engineering College, approved by AICTE and affiliated to JNTU-H and also been accredited with NBA (National Board of Accreditation) by AICTE for its excellent commitment towards quality technical education. The college is well known in the region for its highly qualified faculty which includes eminent academicians from IITs, NITs and premier management institutes. It has also been rated high as per the countable years of its existence, by the experts in the academic arena and industry and is also among the best colleges under JNTU-H to pursue B. Tech and M. Tech. With a sprawling campus spread over 10 acres area with picturesque hills abutting it, St. Peter's Engineering College provides an inspiring educational and research environment for students and faculty alike, to expand knowledge and improve lives through advancement in research and engineering education. The impressive wi-fi enabled college building houses classrooms, offices, research centers, library, spacious atrium, a cafeteria, an auditorium, and a state-of-the-art multimedia center. The campus has fully equipped laboratories with hi-end facilities that satisfy the complete experimental needs of students.

The library subscribes to 50 international journals, 100 national journals, 2 e-journals and has 42,000 volumes to cater to the needs of the students and faculty. The college also has tie-ups with major online libraries for knowledge sharing and news on the latest developments in engineering trends & research. St. Peter's Engineering College is equipped with in-house independent training & placement wing, committed to provide complete assistance to its students.

A qualified and well experienced training & placement officer, assisted by placement coordinators, head this section. The wing ensures esteemed positions in national and multinational companies, also coordinates various activities and provides career guidance to the students.

The entire campus is connected by a state-of-the-art network with 800 nodes. St. Peter's Engineering College is the 2nd best TCS-iON examination center for conducting Banking, GATE, CAT/MAT examinations. Every student and faculty member has a networked personal computer at his/her disposal with an internet bandwidth of preferred Mbps.

Sreenidhi Institute of Science & Technology at the forefront of learning and global competitiveness

Engineers use mathematics, the physical, chemical, and biological sciences, as well as business and communications skills to solve important, real-world problems in society. They are critical thinkers, entrepreneurs and innovators who understand the social and business implications. Above all, they must be willing and able to provide leadership in solving society's big problems.

At Sreenidhi their efforts are dedicated to do just that. They transform the students into highly competent engineers with high level of motivation, professional skills and self-confidence. Also, inculcating in them effective communication skills, ability to work in a team and to lead a team for achieving excellent results in their professional pursuits. Training students to acquire the ability to go into details inculcate in them a sense of responsibility towards society at large. Sensitize them towards moral and ethical values to make them responsible citizens. It has an excellent infrastructure, highly motivated and dedicated faculty. Thus, Sreenidhi has made a mark in Engineering Education System through an excellent teaching and learning process. An effective industry interaction setup is built to achieve the objective of exposing the students to practical aspects of Engineering.

ESTABLISHMENT OF SNIST
Established in 1997, with approval of AICTE & Govt. of AP. It was later accorded autonomous state by UGC & JNTUH University, and accredited by NAAC with 'A' grade by NBA in a short time. It's carved a niche for itself and was awarded National level prize for best HRD practices by Indian Society for training and development, New Delhi. The center is also recognized as a Research Center by DSIR, Govt. of India. Recipient of TEQIP World Bank Assistance under Phase-I & Phase-II (The only self-financing institution which graduated from TEQIP Phase I to TEQIP Phase II in entire Telangana & A.P).

MAJOR STRENGTH & ACHIEVEMENTS
Nationally distinguished faculties holding Ph.D. degree with excellent teaching learning process with highest percentage results. SNIST was awarded as Asia's fastest growing education institute 2014-15 by M/S World Consulting & Research Corporation with ADAMAS University, Singapore on 21st May 2015. The college has another feather in the cap by establishing technology development test center with approval of GOI. The curriculum revision is adhered to as per skills in demand in industry with employability enhancement programs resulting in highest placement. It has also inked MOUs with foreign universities.

progressed to 2nd year
- Entered into MoU with Telangana academy of skills and knowledge and SAP educational providers for teaching SAP(ABAP) which is integrated with the curriculum
- Introduced minor systems of computer courses for all branches other than CSE/IT to Non IT branches to improve employability of graduates
- Entered into MoU with Oracle corporation for providing training to students and preparing for Oracle certificatio

SIGNIFICANT STEPS TAKEN BY SNIST FOR YOUR CAREER TO TAKE A GIANT LEAP
- Introduced UGC credit based system and

Top Engineering Colleges in Hyderabad 2017: List & Rating

Hyderabad is the capital of Telangana and Andhra Pradesh states. This city was founded by Muhammad Quli Qutb Shah in the year of 1591. Hyderabad is also famous as the City of Pearls due to various pear & diamond trading centre. Hyderabad has a literacy rate of 83.26 % (according to census 2011). There are a large number of universities and colleges are located in Hyderabad which offers education in various fields. Here we are presenting a list of Top Engineering Colleges in Hyderabad 2017 including entrance tests and admission procedure.

List of Engineering Colleges

Here at Sarvgyan.com, we are providing a list of top engineering colleges in Hyderabad 2017. This list includes the Indian Institute of Technology (IIT), International Institute of Information Technology, BITS Pilani- Hyderabad Campus, etc.

How we have rated the Institutions

We have rated the universities and colleges on the basis of various factors like quality education, college affiliation & approval, academic excellence, placement status, student's preferences, college infrastructure & facilities, national importance & many others.

Top Engineering Colleges in Telangana 2017: List & Rating

Telangana is a newest state which was formed on 2 June 2014. Hyderabad is the capital city of Telangana. The state shares its national border with Maharashtra, Chhattisgarh, Karnataka and Andhra Pradesh. Telangana is a home of various Institutions of higher education universities. The reputed colleges of Telangana are National Institute of Technology, Indian Institute of Technology, Birla Institute of Technology and Science, etc. According to the census 2011, the overall literacy rate of Telangana is 66.50%. In this article, we have updated the detailed information related to the Top Engineering Colleges in Telangana 2017.

List of Engineering Colleges

In Telangana, there are various governments & private Colleges/Universities, including IIT & NIT, which provide the education in the field of engineering & architecture. The Institutions offer 4 year Bachelor of Technology (B.Tech) & Bachelor of Architecture (B.Arch).

How we have rated the Institutions

We have rated the listed institution on the basis of national importance, accreditation & affiliations, quality of education, placement statistics, college infrastructure, campus facility & academic excellence.

Interview

> STRONG ACADEMICS, HIGH EMPLOYABILITY AND A SOUND VALUE SYSTEM NEED TO GO HAND IN HAND —DR. PRASHANT BHALLA

HAND-HOLDING ON THE PATH THAT FITS!

Dr. Prashant Bhalla, President, Manav Rachna Educational Institutions (MREI) is a Post-Graduate in International Business and has done Industrial Electronics Engineering from Pune University. Dr Bhalla is also the President of BRICS Council of Exercise and Sports Sciences and the recipient of 5th Bhartiya Manav Adhikar Samman 2015 as 'India's most eminent visionary mentor'.

Dr. Prashant Bhalla is also one of the promoter members of Education Promotion Society for India (EPSI). His contribution has been phenomenal as far as Higher Education and School Policy matters are concerned.

EXCERPTS FROM AN INTERVIEW WITH DR. PRASHANT BHALLA, PRESIDENT, MREI:

1. How happy are you with the way MREI has shaped up?
The vision of Dr. O.P. Bhalla behind establishing Manav Rachna Institutions was to nurture better human beings. For the last 19 years of our existence, we have been incessantly working in this direction. We have steadily moved past basic issues of infrastructure and sustainability towards contributing to the society in very real terms. Our students are working with the community to register a meaningful contribution towards betterment of society. We have succeeded in making our students capable to work for the common good. This, in essence, is 'Manav Rachna' for us.

Our students have shown exemplary commitment and excellence to achieve remarkable feats across fields. There have been IAS top rankers, CS toppers and many successful entrepreneurs among our students. Researchers among students have seen many laurels being brought to us. Industry mentors like Maruti, SAP, SUKAM, TCS, IBM, KPMG, NDTV, Cygnus, Fortis, Infosys have been monumental in scripting amazing success stories at MREI.

2.What is your vision for Manav Rachna Educational Institutions?
We follow international best practices. Our curriculum is relevant and updated, there is integration with knowledge partners and delivery is as per international norms.

Institutions at MREI– be it Manav Rachna University (MRU) formerly known as Manav Rachna College of Engineering, or Manav Rachna Dental College (MRDC) and Manav Rachna International University (MRIU) – have the coveted NAAC 'A' grade status, catapulting MREI to the big leagues of higher education.

At the level of Schools, the MREI universe with its seven schools in Delhi-NCR and beyond thrive not just on the CBSE curriculum, its mission and mantra of quality education is also based on academic collaborations with iCarnegie (USA) and International Primary Curriculum (UK). Three of our Schools are AdvancED (USA) accredited—an internationally acclaimed quality benchmark in school education.

MREI has academic collaborations with admired universities across the globe. Going forward, we aim for even better effort and outcomes.

3. What makes MREI stand apart from other multi-discipline institutes?
We have been striving to, and succeeded in creating a global level institution. Strong academics, research, employability, skill development, value system, community connect and collaboration — everything has to go hand in hand.

With Start-ups being encouraged, we are helping students to become job creators. Students are enabled to come up with a great idea and intellect to drive a start-up. Sustainability is another key focus area for us. For instance, we conducted a study on Badhkal Lake. Findings of that study are being implemented in Faridabad Smart City project. We have also taken a solar initiative in a nearby village, and are trying to help the Government in its social endeavours.

4. Would you like to tell us about a few key courses offered here?
Every course has been carefully designed – keeping in mind student interest and the demand – supply equation. We have introduced a course in Data Analytics as also Automobile engineering with design focus; Energy and Environment courses, Power Electronics specialisation course; Construction Management and Courses in Accounting and Finance are coveted.

5. It is said that faculty makes an institute. What is your take on this and what would you say about the faculty of your institutes?
We are centrally located and easily accessible from all parts of Delhi as well as NCR. Hence, we have been able to attract the best of talent. Among our faculty are professionals from IIT, NIT, bureaucracy and defence as well as other experts with excellence in their areas of specialisation.

6. MREI has an impressive campus recruitment rate.
We have a Corporate Resource Centre led by students. We have students driving things and projects. In addition, our collaboration and integration with companies gives the best to us. Our students have been placed with leading corporate houses like SuKam, TCS, Infosys, Cognizant, HCL Technologies, IBM, Accenture, Dell, Wipro, Ericsson, EXL Services, NIIT, Honeywell, L&T Infotech, Aon Hewitt, Micromax, Avery India, Capital IQ, Ceasefire, Covidien, Dell, Denso Subros, Eureka Forbes, Henkel India, Hewlett Packard, Microsoft, Nestle, NIIT Technologies, Oracle, among others.

7. Coming back to you personally, if we ask for your key ambition what would it be?
Private sector has been contributing well and has 85% share in professional education. Somebody really has to ensure that the contribution of the private sector is looked at practically and appreciated. As an educationist, I feel that public perception needs to be improved. Give credit to people who have been contributing.
