

About Gokaraju Rangaraju Institute of Engineering and Technology

GRIET was established by Gokaraju Rangaraju Educational Society in the year 1997 with a mission “To impart and achieve quality education with an emphasis on practical skills and social relevance”. Ever since its inception it has been striving hard to impart quality higher education under the leadership of Sri Gokaraju Rangaraju, an entrepreneur, philanthropist and humanitarian who is committed to the cause of education. GRIET has earned a place among the leading technological institutions in the state. The institution has been ranked 5th among the engineering colleges in the state. It has been accorded the status of autonomous institution by University Grants Commission. GRIET provides state of art infrastructure and has dedicated faculty who continuously review, revise and experiment new teaching methodologies and learning resources. Faculties also focus on research, training and consultancy through institute-industry interaction.

About the Department

The Department of Physics caters to the need of I B.Tech students both in theory and practicals. It has well qualified and experienced faculty with doctorate degrees. The faculty members are involved in research activities and published several papers in National and International journals. The major areas of research presently going on are Electricity and Magnetism, Condensed matter physics, Bio physics and Luminescence.
