

GOKARAJU RANGARAJU INSTITUTE OF ENGINEERING AND TECHNOLOGY

GRIET-CSI-Student Branch

About CSI:

The seed for the CSI was first shown in the year 1965 with handful of IT enthusiastic who were a computer user group and felt the need to organize their activities. They also want to share their knowledge and extend the ideas on what they felt was fast emerging sector. Today the CSI takes pride in being the largest and most professionally managed association of and for IT professionals in India.

The purpose of CSI society are scientific and educational directed towards the advancement of the theory and practice of the computer science and IT. The organization has grown to an enviable size of 1 lakh strong members consisting of professionals with varied backgrounds. Currently our GRIET-CSI student chapter had registered more than 120 students.
