

GRIET EDC 15-16 activities

GRIET- Business Incubator

GRIET initiated incubation centre as a part of E-cell activities since 2013. Our incubation centre focuses on creativity, innovation and nurtures entrepreneurial ideas in students of GRIET. Innovative ideas of students are implemented in our incubation centre to develop them into products useful to the society and industry. Incubation centre provides Technical, mentor and financial support to the Incubatees and encourages them to become entrepreneurs .GRIET is a recognized incubation centre by MSME.**Eight innovative projects have been completed which are sponsored by Ministry of Micro Small and Medium Enterprises (MSME) a Central Government Organization.** Various Entrepreneurial motivation activities are organised by EDC wing of GRIET for faculty and students.

Few innovative projects in incubation centre sponsored by MSME:

Rice Straw Ply-board

Production of Electricity from Algal Hydrogen

Disinfectant liquid from leaf extracts of a plant.
