Eligibility

Faculty from institutions approved by AICTE

Registration fee

No Registration Fee

Travelling Allowances

TA will be provided for Non-A/C Train or Bus in shortest route.

Accommodation will be provided.

Gokaraju Rangaraju Institute of Engineering and Technology

GRIET was established in 1997 by the Gokaraju Rangaraju Educational Society (GRES). The Institute currently offers Six Undergraduate programs and Five Post Graduate programmes. GRIET has got NAAC accreditation with 'A' grade. All the programs of GRIET are accredited by the NBA. GRIET is permanently affiliated to JNTUH and conferred Autonomous status by UGC from 2014-15.

Objective & Scope of FDP

Best quality faculty is the backbone of any successful institution, which imparts good quality of knowledge and education to the student. Faculty Development Programs (FDPs) are especially important in adapting faculty members to their changing roles in initiating and setting the directions for curricular changes. Faculty fulfil a variety of roles as teachers whose commitment is to provide their students with expert instruction and guidance, as participants in the collegial community of an engineering college and as members of the community of scholars within their disciplines. The objective of this FDP is also to help the faculty of mentee institutes to improve their quality parameters to enable them to get accreditation by NBA.
