

## Report on Gender Champ

The WDC has organized a screening process for Gender champ as per the guidelines of Ministry of Women and Child Development. The main motive of this is that the gender champs will strengthen the potential of young girls and boys to advocate for gender equality and monitor progress towards gender justice. The broad mandate of Gender Champions is to provide an integrated and interdisciplinary approach to understanding the social and cultural constructs of gender that shape the experiences of women and men in society. The aim is to make young boys and girls gender sensitive and create positive social norms that value the girls and their rights.

In this process the cell has organized series of Group discussions on gender related issue to assess the student's understanding and concern towards opposite gender. Around 200 students have taken part and expressed their views and suggestions for the promotion of gender equality.

The cell has planned to start Gender Champion Club in GRIET which can organize focused group discussions, debates, poster competitions, thematic plays, workshops etc., for gender justice and equality.
