7. Incinerator purchased and located at Block-4 in ladies wash room on 27 sept 2018 it is one of the common Waste Disposal problems being faced in public Utility Area, is disposal of used Sanitary Napkin by the ladies. Invariable these used Napkins

are flushed down the toilets which may obstruct smooth flow of sanitation system. Moreover if used napkins are disposed in dustbin, these may become a source of infections as well as harmful waste spreading outside the premises. This Incinerator shall burn the used Sanitary Napkin and reduce it into micro ash, which is collected in the inbuilt Ash-tray. Disposal Machine is having an emission outlet outside the room for the fumes developed during the Incineration. The Incinerator can also be installed inside the room with SMOKE REMOVAL UNIT with absolute zero emission.

8. International Yoga Day organized on 21 june 2018 under the able guidance of Ms Soudhamini Yoga trainer. Yoga improves the health, mentally and physically, efficiency of the work also improves.
