I.4 Ownership status

(Instruction: Ownership status of the institute has to be listed here.)

society (Govt./NGO/private)

I.5 Mission and Vision of the Institution

(The institution needs to specify its Mission and Vision).

Vision:

To be among the best of the institutions for engineers and technologists with attitudes, skills and knowledge and to become an epicenter of creative solutions.

Mission:

To achieve and impart quality education with an emphasis on practical skills and social relevance.

I.6 Organisational Structure

I.8 Nature of the trust/society

Also list other institutions/colleges run by the trust/society

(Instruction: Way of functioning and activities of the trust/society has to be listed here.)

Gokaraju Rangaraju Educational Society (GRES) is a charitable educational society promoting quality education in Andhra Pradesh founded and promoted by **Dr. Gokaraju Gangaraju, Chairman of Laila Group of Industries, manufacturers of sugar, paper and pharma products.**

GRES draws its inspiration from the leadership and vision of late **Sri Gokaraju Rangaraju**, Founder President of S R K R Engineering College, DNR College, Bhimavaram, Chairman of Board of Trustees, Tirumala Tirupati Devasthanams, Member of A.P. Legislative Assembly, a distinguished crusader in the field of education, who focused his efforts on the promotion of quality education.

The main objective of GRES is to promote technological, medical and management educational institutions for the overall benefit of the state in particular, and the country in general.

The society established **Gokaraju Rangaraju Institute of Engineering and Technology** in 1997 and **Gokaraju Rangaraju College of Pharmacy** in 2003. GRIET has the distinction of being one among the Top 10 Ranking and reckoning Institute of choice and preference for the aspiring students. Both these institutions established innovative standards in their respective fields.

II.3 History of the department including date of introduction and number of seats of various programmes of study along with the NBA accreditation ,if any

Gokaraju Rangaraju Institute of Engineering and Technology was established in 1997 with a vision and great expectations. Mechanical Engineering department commenced offering UG programme BTech (Mechanical Engineering) in 1997 with an initial intake of 40 students, which was enhanced to 90 students annually from the year 2002, and to 120 in the year 2006. In the year 2011, the Institute became autonomous and current intake of ME department is 180. The department is also offering two PG programmes (Design for Manufacturing and Thermal Engineering) with an intake of 18 each. The department has been recognized by JNTUH as Research Center. The Department has requisite number of faculty members, striving to incorporate excellence in theory, practice and research. Undergraduate studies in mechanical engineering at GRIET start with the innovative, integrated and well designed curriculum structure which gives students a solid foundation in core disciplines like mechanics, manufacturing, and systems, together with essential areas of mathematics and physical sciences. Throughout the curriculum, design courses, laboratory courses, and project courses allow students to acquire a taste for the complex task of designing, analyzing, and building a device.

PG	M.Tech Thermal Engineering	18	2013					

II.4 Mission and Vision of the Department

Vision of the Department

- To be a center of excellence by producing high caliber engineers and technologists, who possess scientific temperament and would engage in design, manufacturing and research.

Mission of the Department

The Mechanical Engineering Department is committed to

- Provide efficient engineers for global requirements by imparting quality education.
- Create, explore and develop innovations in the fields of Design, Thermal and Manufacturing.
- Enhance the skills of young minds so as to become globally competitive with entrepreneurial and managerial skills.
