Chief Patron

Sri. G.V.K. Ranga Raju, Vice President **Patrons**

Dr. Jandhyala N. Murthy, Director

Dr. J. Praveen, Principal

Dr. K.V.S. Raju, SAO

Program Coordinator

Dr. V. Vijaya Rama Raju, Dean IQAC

Important Dates:

Last date for Registration: **25 Jan. 2023** Selection Intimation: **30 Jan. 2023**

Registration Details:

Link:

https://forms.gle/SLExDtuJuPRYSp43A

Registration Fee: ₹ 500

For online Payment:

Account Name: Head of the Department Electrical and Electronics Engineering Account Number: 10812191015124

Name of the Bank: Punjab National Bank

IFSC Code: PUNB0188210

Branch Name: Bachupally

Resource Persons:

Eminent personalities from IITs, Central Universities & NAAC

Who Should Attend:

This FDP is designed for Senior faculty and administrators in all Higher Education Institutions across India. This FDP will benefit the senior faculty and administrators to devise a plan to effectively implement NEP-2020.

Participants will be provided with a certificate. Registrations are confirmed on a First Come First Serve basis, and 50 members are only selected for this FDP.

Note:

- No TA/DA will be paid to the participants
- FDP is organized as per NAAC guidelines
- Registration is mandatory
- Participant attendance during the FDP is mandatory for getting a participation certificate.

About GRIET

Gokaraju Rangaraju Institute of Engineering and Technology (GRIET) was established in the year 1997 with a noble vision by Dr. G. Gangaraju as a self-financed institute under the aegis of Gokaraju Rangaraju Educational Society. GRIET is approved by AICTE, New Delhi, permanently affiliated to JNTUH, and autonomous by UGC.

GRIET is committed to quality education and is known for its innovative teaching practices. It offers nine UG and six PG programs in Engineering. It has state-of-the-art infrastructure and incorporates value education, social responsibility, and problem-solving skills in the curriculum.

follows goal-oriented and innovative practices mold to students into trustworthy. multitalented resourceful, and professionals. The NAAC has accredited the Institute with an "A++" grade. All eligible UG and PG programs are accredited by NBA. GRIET go, a rank of 148 in the NIRF rankings for the year 2022 under the Engineering category.

IQAC

GRIET has established an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Quality enhancement is a continuous process; the GRIET IQAC has been playing an important role in setting up the quality benchmark and striving towards the realization of the goals of quality enhancement and sustenance.

It has initiated the quality initiatives such as establishing OBE, introducing a CBCS, inculcating best practices, and organization of faculty development workshops, seminars, and webinars on quality issues.

About the FDP

The National Education Policy (NEP - 2020) has provided the country's higher education institutions (HEIs) with the vision of building a platform to provide a quality school and higher education to every citizen of the nation with Indian ethos and values to transform the nation into an equitable and vibrant knowledge society as well as a global knowledge superpower.

It has been more than two years since the Government of India introduced the National Education Policy 2020 (NEP-2020) on July 29, 2020.

Now it is the time for all the education leaders and senior academicians of higher education institutions (HEIs) in India to come together and create their strategic action plans for putting the policy into practice in letter and spirit. To address all these issues, it is proposed to conduct an FDP on "Institutional Preparedness for NEP 2020 implementation in Higher Education Institutions".

The objective of this FDP includes giving in-depth insights on:

- NEP-2020's role in ensuring quality education in HEIs
- Identify challenges in the implementation
- Discuss possible strategies for the successful implementation of NEP-2020 in HEIS
- Impact and Implications of NEP-2020 in HEIs
- Strategic planning on models, and approaches to sustain the quality of HEIs
