		5	25	2	208	240
Summary of the Event		<p>People usually say that thousands of people die of cold, but we say that they die due to a lack of woollen clothes and blankets. We the team NSS, with the support of our volunteers, distributed woollen blankets & sweaters to these poor people so that they may be able to protect themselves from cold on winter nights. For getting relief from the cold, more than 150 selected helpless people got blankets through this program</p> <p>Like every year this year too, the drive is being carried in some areas of Hyderabad. Happy to witness the overwhelming response. The</p>				

	drive became more successful as members of the NSS open their hearts to help the homeless and struggling people make ends meet.

Summary of the Event		<p>The Ministry of Youth Affairs& Sports requested to instruct the NSS Programme coordinators of all the Universities to undertake cleaning activities by the NSS units under their jurisdiction. The cleaning activities may include primarily cleaning of waste single use plastic waste, cleaning of public places like Bus stands, Railway stations, Hospitals, slums, Heritage and Iconic places, monuments etc. The NSS Units may be instructed to start cleaning activities from their Institutes from 01st October, 2022 or may organize Plogging Run on 2nd October, 2022. During festival month of October, volunteers may be directed to take cleanliness activity in and around Puja Pandals (place where</p>				

	religious festivals is happening) and near the places where idol immersions are taking place. 10-18 Volunteers every day may be involved on a rotation basis in cleaning activities in order to involve all the Volunteers in Clean India Campaign during the month. The NSS Programme Officers and Volunteers generally visit their native places during the vacation. They may be asked to undertake Cleaning activities on individual or in a group in their respective places and number of hours may be included under Regular activity. GRIET NSS Volunteers has taken up a clean India initiative on 19.10.2022. In this regard the places chosen by our volunteers are at TSRTC Miyapur Bus Depot and Temple at KPHB, Hyderabad. Done the activities like collection of all the waste in the surroundings and in all the public Transport buses.

Summary of the Event		<p>Team NSS took part in the -initiated Unnat Bharat Abhiyan at ZPHS School on 23rd August 2022. The quality of education immensely determines the future of the students. We are privileged enough to be educated. Now we have to lend a helping hand to those in need. NSS volunteers have offered to teach 9th ZPHS students about IoT (internet of things) and microcontrollers under the direction of Dr. T. Padma ma'am. ZPHS students expressed great excitement and a desire to learn. The volunteers made learning enjoyable by enthusiastically imparting their subject-matter expertise. By demonstrating a project based on IoT and microcontrollers called SMART GARDENING, they were able to</p>				

	convey the information in a better way. The volunteers learned compassion and patience while educating the students, which brought them true happiness. The volunteers were delighted to see the children's smiling expressions as they learned and gained new knowledge. Experience at ZPHS was well-guided and supported by the school staff. The volunteers are excited to volunteer for other such activities and are happy to have participated in the Abhiyan.

Summary of the Event		<p>Team NSS has initiated CPR WORKSHOP & HEALTH TALK on first aid management and road traffic accidents in association with SLG HOSPITALS, Nizampet. CPR – or Cardiopulmonary Resuscitation – is an emergency lifesaving procedure performed when the heart stops beating. Immediate CPR can double or triple the chances of survival after cardiac arrest. This training were focussed on the Bus Drivers where they can be front line to protect if any accident while driving. As part of the event, our volunteers have taken the lead in participation. doctors from SLG hospital have brought awareness among students and staff about CPR techniques, first aid management, and road accidents. They trained the students to implement CPR in the live session for</p>				

	better understanding and have given techniques. Highlights of the event are, that our volunteers learned about how to face situations during a medical emergency. Speakers of the event are Dr.T.Appi Reddy, Dr. Jagan Mohan Reddy, Dr.Mrunal, and Dr.Syed Asralan

Summary of the Event		<p>Education is about gaining the knowledge and the skills needed to become a better person and create a better society to live in. And for it to manifest, students need to be provided with a proper learning environment. We came across ZPHS Gundlapochampalli, through one of the chief EB members, who approached us with the survey of this school. Looking into the survey and enquiring about it we understood the needs and necessities of the school.</p> <p>The school lacked in the washroom infrastructure facilities for the students. We fixed the washroom infrastructure based on their</p>				

	requirements. We also spread awareness regarding personal hygiene among the students.

Summary of the Event		<p>We team NSS believe - education is a ticket to the future because those who prepare for it today will own it in the days ahead. And we started a programme to distribute books to students in need as a gesture of goodwill. On December 29, a team from the NSS visited the ZPHS school in Gundla pochampally and gave out books to the ninth-grade students studying in both English and Telugu medium. Pick up a pen and write if you want to change the world; this is what inspired us to propose the notion of giving away books. Given that 110 books were distributed, the programme marks an other page in our success. With</p>				

	this occasion, Team NSS says goodbye to this year with gratitude in our hearts for another successful year of sharing happiness, hope, and love.

Summary of the Event		<p>Divya Jyothi Foundation is a Volunteer organization. It was founded by Ananth Reddy and Sarojini Bolli. There are forty children in this foundation. They were in a very bad situation. There was an extreme crisis for rice bags. They didn't have enough food to feed all the children there. We donated 10 rice bags to them. Each bag lasts for one and a half days's. This helped the kids a lot in their growth and nourishment. The students were satisfied with the provisions.</p>

		8	69	2	523	602
Summary of the Event		<p>The National Service Scheme (NSS) is a prominent youth-oriented organization that plays a vital role in promoting social service and community development. As part of its initiatives, NSS conducted a comprehensive survey on road safety to assess the prevailing road safety measures, identify potential hazards, and suggest effective solutions. This report aims to present the findings of the road safety survey carried out by NSS.</p> <p>On July 7th , two of our NSS volunteers conducted a survey on road safety in which our college bus drivers participated very actively. GRIET bus drivers gave us a very detail information road safety</p>				

	awareness. The NSS survey on road safety highlighted critical issues related to road infrastructure, traffic management, awareness, and law enforcement. It is essential for all stakeholders, including government authorities, road users, and community members, to collaborate and take necessary actions to create safer road environments for everyone.

Summary of the Event		<p>Ruedo is one of the most significant events at GRIET which is conducted together by NSS, Street Cause and Green Campus. Besides being creative and fun this event also addresses the idea to create awareness about the importance and need to protect our environment. Project Expo is the key event of Ruedo'23. Project Expo provides a platform for the young minds to showcase their ingenious thoughts and creativity. This Ruedo'23 had a display of insightful projects that centred on the theme of nurturing our environment. Innovative and inquisitive young minds got to learn from the experienced. The halls of knowledge was indeed visionary.</p>

		8	34	2	53	97
Summary of the Event		<p>There are few hamlets near Bhadrachalam where people in total dense forests. Everyone are complete tribals and have their own language. Most of the people there are lying in BPL (below poverty line and don't have electricity at all. The transportation becomes extremely difficult once the light fades out.</p> <p>We found a hamlet with 28 houses which is at a 5km radius with its other neighboring hamlets.</p> <p>Using solar cells we can convert solar energy (sunlight) directly to DC. The electricity can be directly used by DC appliances or can be</p>				

	<p>stored in batteries and used for the purpose of lighting whenever required.</p> <p>The solar house lighting system is very much helpful in tribal areas and rural areas where over there is no electricity and light facility at their homes</p> <p>Each house would be receiving a solar panel and 2 light bulbs.</p> <p>The warranty for the system is 10 years by the company and it's currently running successfully for the 6th year at previously installed hamlets.</p>

		218	52	21	1085	1376
Summary of the Event		<p>Given below - English Translation of the Success Stories as narrated by the beneficiaries on the benifits of Yoga in Telugu language.</p> <p>Yoga learner-1: My name is “Brijbushanpurohit” I have been practicing yoga for the past 35 years and reaped many benefits of yoga. When I do yoga, it gives relaxation to my entire body. Yoga with Asanaas, pranayama, and Dhyana makes our life better. With proper diet control, I achieved the maximum benefits of yoga.</p> <p>Yoga learner-2: I am M.shivakumar.I have been practicing yoga regularly. I am 64 years old and retired from Central Warehousing</p>				

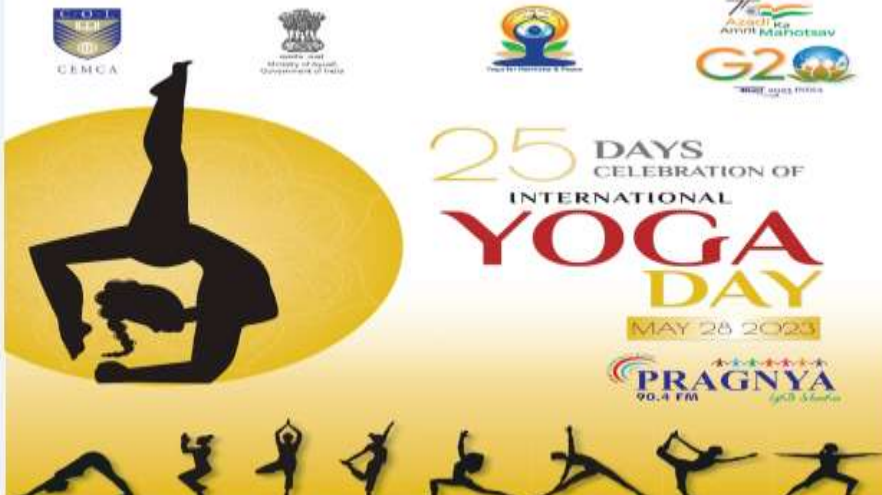

Corporation. Basically, I was a martial art black belt specialist, practiced the same till I was 45 years of age. At that time, once, I participated in martial arts competition in Nepal and during that time I faced a severe problem with swollen legs and could not able to move. I went to many hospitals, but doctors also failed to provide proper treatment for my pained legs. On someone's suggestion, I went to a nearby yoga ashram and I met yoga guru there. He has seen my problem and given me the treatment immediately through Asanas and other kriyas that made me to move in 20 minutes time and I walked down without any problem. It was then, I understood the strength of yoga. From that time onwards, I have been practicing yoga. Even though I am old by age, I didn't face any kind of problems for the past 18 years. I am hale and healthy with yoga now.

Quadar (software employee): Earlier, I was thinking that yoga is a physical exercise but after practicing it, I understand that it gives perfection to our body and mind. My official job is mostly sitting job and I became dull day by day. But after I started doing yoga, I became very fresh, enthusiastic, strong and healthy. Yoga made my body and mind active.

Swarnalatha (MBA student): I am Swarnalatha pursuing MBA, at the same time I am also a certified yoga teacher. Yoga helped me to balance my life perfectly and I am enjoying my life. I improved my memory and grasping power. I am also participating in yoga nationals for the past four years from Osmania University which gives me satisfaction.

Pravallika (polytechnic lecturer): Presently I am doing MA in yoga, at the same time, I am a lecturer in polytechnic college. Earlier, I used to go to gym and was doing weight lifting and other gym exercises. While doing so unfortunately, I got spondylitis. On the advice of my cousin, I started doing yoga and also joined in Yoga course. Now I am yoga trainer also. Now I am happy to teach yoga, that gives me satisfaction and I am giving training to the students to improve their memory power. My training helped girls who were facing hormonal imbalances to set right their health issues. I will start my class in college with meditation and yoga kreyas performed by the students for half an hour regularly. I got married recently and made my husband also to practice yoga regularly. Now we have a harmonious life at home.

Prasad: I am a hardware service provider. I have to drive 40-60 kms. daily on bike so, I got sciatica problem. Doctor advised me to go for surgery but I came to know that, it can be also cured by yoga. So I went to a yoga center near by my house. I regularly did yoga and my sciatica problem is no more. I also had cervical problem, as I was wearing helmet during driving. By this I faced sleepless nights due to pain. Now after practicing yoga, all my health problems have gone and I am healthy. All my family members are also regularly practicing yoga. Now we are participating in national level yoga competitions. I did diploma in yoga and now giving training on yoga.
