Item NO. 12. Starting of "Prof P. S. Raju" Chair Professor Program.

"Prof P. S. Raju" Chair Professor Program is proposed in recognition of the services rendered by Prof P. S. Raju Gao to GRIET, its founder Principal, Director & Advisor.

The proposal is to start this Chair Professor Program by depositing an amount of Rs. 25,00,000/- (Rs. Twenty five Lacs only) initially. The interest accrued shall be used for the Chair Professor Program. Money can be raised from contributions from all

stakeholders associated with P.S. Raju group. It is also suggested that management can initially lend the money and once campus builds the loan can be withdrawn.

Sri G. V. K. Rangaraju, vice-president advised member Secretary to send the proposal to this effect for favourable consideration from the management.

Item NO. 13. Prof. V. S. Raju group advised Member Secretary to prepare a book group with details of Pros & Cons of a Deemed University or State Private University.

Sri G. V. K. Rangaraju group explained about the challenges involved in getting approval/NOC from the State Govt. with the examples of recently sanctioned Universities. He expressed that it needs at least 3-4 years to chalk out a detailed plan for Establishment of Deemed/State Private University and requires lots of funds and land requirements. In view of the above challenges, management would like to continue the status quo.

Item NO. 14. Prof. V. S. Raju group advised the member Secretary to collect the facts and figures that how many students are really interested to stay in hostels and extrapolate the charges to be collected from them to meet the construction costs etc. So that the discussion can be

more meaningful. It is agreed to postpone the discussions till more information is gathered.
