GRIET/A-DCG/15A/G/20-21

25 Sep 2020

Minutes of Meeting of HODs, A-Deans and Mentor Coordinators

Career Guidance and Mentoring meeting on was held on 23 Sep 2020 with HoDs, A-Deans (Counselling, Academic Affairs, Publicity, and Placements) and Department Mentor Coordinators on 23 Sep 2020 at 2:00 PM.

The following were present:

1	Dr Jandhyala N Murthy	Director	12	Dr Y Butchi Rau	AD Counselling
2	Dr J Praveen	Principal	13	Dr A Sai Hanuman	ADAA
3	Dr K V S Raju	Sr. AO	14	Prof P Gopal Krishna	AD Publicity
4	Dr T. Jagannadha Swamy	ADCG	15	Dr K. Butchi Raju	AD Placements
5	Dr V Mallikharjuna Reddy	HoD CIV	16	Dr.K.Srikanth	CIV Mentor Coordinator
6	Dr K Madhavi	HoD CSE	17	B.Padma Vijetha Dev	CSE Mentor Coordinator
7	Dr N Swetha	HoD ECE	18	Mr K N V Kashim	ECE Mentor Coordinator
8	Dr J Sridevi	HoD EEE	19	Ms V Usha Rani	EEE Mentor Coordinator
9	Dr K Pasanna Lakshmi	HoD IT	20	Dr Y Sri Lalitha	IT Mentor Coordinator
10	Dr N Sateesh	HoD ME	21	Mr Krishna Mohan	ME Mentor Coordinator
11	Dr B Srinivasa Rao	HoD H&S	22	Mr B Suresh	H&S Mentor Coordinator

Dr. T. Jagannadha Swamy(A-DCG) welcomed all the members and gave an insight on Career Guidance and Mentoring activities during the lock and unlock periods. He has given a report on Career Guidance and Mentoring activities during AY 2019-20.

S.NO	Item	Action Taken By
1	Advice by Director Sri J N Murthy: HoDs should motivate the faculty about mentoring and guidance activities time to time. Mentors are the key persons between the college and the students. They can easily communicate the students and parents and they will publish all the online classes and activities during these periods. Advice Dean career guidance, conduct interaction sessions with all the students through mentors on career guidance and its related activities frequently.	All HoDs All Dept Mentor Coordinators,
2	Advice by Principal Sri J Praveen: Requested HoDs, to Encourage all the dept Coordinators and mentors on active participation on all	All HoDs, All Dept Mentor Coordinators,

J. Praveen

PRINCIPAL
GOKARAJU RANGARAJU
Institute of Engineering and Technology

	the activities, like safety, CRT classes, Exam preparation. Try to send all the required materials and Question papers to students through the mentors. HoDs please try to correlate your activities with ADAA and COE, Placements and AD Publicity time to time	ADAA, AD Placements AD Publicity
3	Advice by Sr AO Sri K V S Raju: Explained the role of mentoring. Mentors should contact the mentees regularly, and they have to know the complete information about their mentees. HoDs and Deans (DAA, Placements, Publicity, DCG) conduct various career guidance programs through online mode time to time.	All HoDs, All Dept Mentor Coordinators, ADAA, AD Placements AD Publicity, ADCG
5	AD AA requests all HoDs, Coordinators to share all the academic information to Students it includes Materials, QPs or Offline Videos, Conduct review classes on request basis. And also share the exam(s) information (time tables, etc..)	All HoDs, All Dept Mentor Coordinators
6	The Career Guidance mentoring Metrics of all the institutions under the university given by Dean Publicity	All HoDs, All Dept Mentor Coordinators
7	AD Publicity request all HoDs, Coordinators to monitor, whether the student has received all GRIET updates or Recognitions etc. and this may help to publicize our activities regularly.	All HoDs, All Dept Mentor Coordinators
8	All the Dept HoDs and their Coordinates were expressed their views on Career Guidance and Mentoring activities for the academic year	A-DCG

GRIEVANCE REDRESSAL CELL 2020-21

The Institution gives priority for the expeditious redressal of all grievances of staff and students, and each member is a key stakeholder of the organization. Any grievance reported verbally or in writing will be primarily and appropriately dealt with by the concerned head of department or by the designated cell or committee. However, the aggrieved, if so desires or feels that his/her grievances not redressed satisfactorily, can approach the grievance redressal cell for redressal. The composition of grievance redressal Cell is as follows:

Name	Designation	Position
Sri. G.V.K. Ranga Raju	Vice President, Governing Body	Chairman GRC
Dr Jagannath Jetty	Former Rector, JNTUH	JNTUH University Ombudsman
Dr Jandhyala N Muthy	Director	Member
Dr J Praveen	Principal	Member
Dr L Jayahari	Dean Student Affairs	Member
Smt. K Adilakshmi	Assistant Professor	SC/ST Member
Dr C Lavanya	Dean Faculty Development	Member
Dr S Govinda Rao	Dean Discipline	Member Secretary

The Student or Person, who are willing to launch any complaints, shall send their representation for redressal of their grievance to the following Grievances Redressal Committee.

All aggrieved parents and the stockholders may also thenceforth approach to the Grievance Redressal Committee.

Any member of GRIET (staff/student) can represent their issue through electronic or paper media to any designated member in the department, cell or committee or through the Grievance Redressal Register available at Administrative office Reception counter. The institute has the following committees to deal with specific matters in order to maintain good order, discipline and harmonious environment on campus. The designated bodies are:

- (i) **Internal Complaint Committee:** The main role of the committee is to address the complaints from Students and Staff.
- (ii) **Anti-Ragging Committee:** The role of the committee is to monitor, prevent and deter Ragging

Anti - Ragging Deliberations for the Academic Year 2020-21

GRIET/PRIN/12A/G/19-20

A meeting was held on 23 September 2020 to review anti-ragging measures through online Zoom Meeting

The following members were present

1. Dr Jandhya N Murthy	Director
2. Dr. J Praveen	Principal
3. Dr. S Govinda Rao	Associate Dean ,Discipline
4. Mr. R. Srinivasa Raju	Physical Director
5. Dr. L Jaya Hari	Associate Dean Student affairs
6. Dr. A Sai Hanuman	Associate Dean, Academic Affairs
7. Dr.K Madhavi	HOD CSE
8. Dr.V. Mallikarjuna Reddy	HOD CE
9. Dr.Satish	HOD ME
10. Dr.Prasanna Lakshmi	HOD IT
11. Dr.N Swetha	HOD ECE
12. Dr. B Srinivasa Rao	HOD BS

Following are the deliberations:

1. Principal gave the welcome address, and then explained the importance of discipline and policies of GRIET. He highlighted the roles and responsibilities of various committees. They will be dealing the following issues after college will reopen (after Lock down Lift)
 - a) Conflicts between staff & students
 - b) Conflicts between fresher's (I year) and senior students
 - c) Grievance cell (Grievance committee will look into this issues)
 - d) Sexual harassment
 - e) Ragging issues
2. **Representations can be done in the following ways :**
 - a) Through E-mails
 - b) Written through proper channel
 - c) Through suggestion boxes
 - d) Orally
 - e) Enter into Grievance Register which is available with reception

J. Praveen

PRINCIPAL
GOKARAJU RANGARAJU
Institute of Engineering and Technology
E. J. Kompally, Kukalpally, Hyderabad - 500

3. Anti - ragging publicity was given through the following ways after lock down lifted

- a) Posters
- b) Notices
- c) Lectures
- d) T.V.Scrolls
- e) Also publicized through our website: **www.griet.ac.in** (available under Mandatory disclosures, Anti-ragging measures)

4. Ragging avoidance measures after lock down lifted :

- a) Staggered timings of class work year-wise
- b) Different lunch timings for students
- c) Different bus timings
- d) Collected the affidavits from the students and parents
- e) Separate building for I year class work
- f) Inspection at college & outside bus stops, canteens, library by anti-ragging squads
- g) Senior students are not permitted in I year students buses while pick up and dropping
- h) Staff is detailed to travel for one month in I year student buses

5. Principal directed:

- a) To circulate Anti – ragging measures to all HOD’s for strict implementation
- b) Maintain social distance between each individual students in the campus
- c) To inform all bus drivers to strictly avoid the entry of senior students into I year student buses through transportation in charge and bring any untoward incident to the notice of transportation in charge/ ragging committee immediately.

INDUCTION & ORIENTATION PROGRAM: I B.Tech 2020-21
(02 - 08 December 2020 & 10 January 2021)

Report on

Induction and Orientation Programme I B. Tech 2020-21

Orientation Program: 02 December 2020:

Gokaraju Rangaraju Institute of Engineering and Technology conducted online Orientation program on 02 December 2020 for parents and students of I B.Tech. 2020-21 admitted batch. The first year administration under Dr. B. Srinivasa Rao, HOD – H & S and Dr. M. Sridhar, Dr. M. Sridhar, Professor of Physics was Convenor of the program was entrusted with the task of conducting the program. A committee of senior faculty was involved in detailed planning of the online event with guidance from Sri M. G. Sekharam, CEO, GRES, Dr. J. N. Murthy, Director, GRIET, Dr. J. Praveen, Principal, GRIET and Senior Administrative Officer Dr. K. S. N. Raju, GRIET. The passionate support of all faculty members serving the first year is worth mentioning. Careful planning while delivering speeches by CEO, Director and Principal ensured few overlapping areas and avoided repetitiveness. Students, parents and guardians expressed deep satisfaction over the conduct of the program and the communications associated with the event. All queries were addressed with patience by CEO, Director and Principal.

Chief Executive Officer advised students to be disciplined and how it can have a direct bearing on professional success. Principal gave a detailed presentation on the achievements of the institute, the assets of the institute and the faculty strengths. Director spoke on adapting education to manage life and the principles that make effective engineers. Dr. B. Srinivasa Rao, HOD – H & S spoke on first year specific issues, the impact of attendance on overall professional growth.

J. Praveen

The college student cultural group rendered the prayer song and vote of thanks. The orientation program was conducted through Zoom platform and telecasted over YouTube live streaming. More than 1400 students and parents were attended for this program.

Induction Programme: 02 – 08 December 2020 & 10 January 2021

Gokaraju Rangaraju Institute of Engineering and Technology, Hyderabad conducted one week online induction program for I B.Tech students of 2020-21 admitted batch from 02 December to 08 December 2020 and on 10 January 2021. Dr. B. Srinivasa Rao, HOD – H & S and Dr. M. Sridhar, Professor of Physics was Convenor of the program along with their team took up the onus of conducting such an informative and educative program first of its kind to groom and nurture young engineering minds to become responsible citizens.

The main aim of the program was to give a bird's eye view about diverse dimensions of engineering and the career opportunities for the new engineering students along with the exposure to Human Values and Proficiency modules in Computers and English. The program was conducted to draw the attention towards the challenges and problems that are to be faced at individual, family, society and nature by the young technocrats. It guided them to solve many hurdles in life by acquiring right understanding, recognising the relationships, setting goals and in due course attain success by maintaining harmony at various levels.

The facilitators for the programme were a mix of internal and external resources. Various topics were covered in the induction program: Human Values and Professional Ethics, Computer Proficiency, English Language Proficiency, Physical Activities like Yoga, Invited talks by Sri M. G. Sekharam, CEO, GRES, Sri T Shyla Kumar, Head-Data Science, L&T, Swami Bodhamayananda, Director of Vivekananda Institute of Human Excellence, Hyderabad and Ms. Prerana Simha, Psychologist, Yashoda Hospitals and Deans of our college Dr. A. Sai Hanuman, Dean - Academic Affairs, Prof. P. Gopala Krishna, Dean – Publicity, Dr. L. Jayahari, Dean – Student Affairs, Dr. S. Ramamurthy, Dean – AAC, Dr. K. Butchi Raju, Dean – Placements, Sri S Tirmal Reddy, Corporate Trainer, Dr J Praveen, Principal, GRIET and Sri Anil Rachamalla, Founder, Endnow Foundation.

Human Values and Professional Ethics were held in five modules. Trained facilitators of GRIET took up the responsibility to impart these values among the emerging young graduates.

J. Praveen

PRINCIPAL
GOKARAJU RANGARAJU
Institute of Engineering and Technology
Easwarpally, Kukatpally, Hyderabad - 500

This course was well received by them thus bringing in a positive mind set to be a change in the present world.

Human Values and Professional Ethics Modules:

Module 1: Introduction to value education.

Module 2: Harmony in the Human being.

Module 3: Harmony in the Family and Society.

Module 4: Harmony in the Nature.

Module 5: Implications of the Holistic understanding - Professional Ethics

Computer Proficiency training by faculty gave an exposure to basic computer programming which forms a platform to build better career. This skill gave them an outlook towards coding and other technical skills. This training was given in two modules.

Computer Proficiency Modules:

Module 1: Basics of a computer and operating systems & Number systems

Module 2: Introduction to Programming languages and flow chart.

English Proficiency delivered in two modules gave an insight to reading and writing digital texts and the functional skills required to operate and communicate with technology and media.

English Proficiency:

1. Module 1: Introduction to types of English.

2. Module 2: Techniques of Reading & Writing Skills.

Sri M. G. Sekharam, CEO, GRES, addressed the first year B. Tech students and gave a presentation on “**Setting A Goal for B. Tech Course**” through online mode. Session started with posing a question: After B. Tech what? And how to go about Goal Setting. In this context he spoke about the barriers that they face to reach his/her goal and how to overcome physical, emotional and financial barriers by correlating with many live examples. He gave a clear idea about the opportunities available in the market and guidelines for the selection of career options and fixing the goals after the completion of their B. Tech course. Lecture emphasised the need to have a clear idea about what they need and to set their goal in the first year itself.

J. Baven

PRINCIPAL
GOKARAJU RANGARAJU
Institute of Engineering and Technology
E. J. Campally, Kukatpally, Hyderabad - 500

Speaking on “**Strategic plan to reach the goal**”, he has briefly explained the career options, knowledge, skills sets and requirements for individuals. He gave guidelines for admissions to higher education in eminent universities and how to prepare for various competitive exams. He triggered new ideas for entrepreneurship, start up and family business. Most importantly he stressed on how to manage time and health and how these issues can be solved through life skills course.

Sri T Shyla Kumar, Head L&T, addressed the students focusing on how to bring optimism in new age generation students. He shared his life experience how he came up step by step in his career and how to learn from failures. He advised the students not to be influenced by what the society think about them since the students knows their skills. He asked the students not to get confused about purpose of life and life goals but to know their own strength and weakness. He explained how to use the 4 years of B. Tech life and how to build career. The lucidness of his personal experience explained that there is no limit to people who try new things, there is much to learn from society and build career. It was a thought-provoking session encouraging the students to utilize the time in right manner and balance life with realistic examples.

Swami Bodhamayananda, Director of Vivekananda Institute of Human Excellence addressed the students on the topic “**Role of Youth in Resurgent India.**” Swamiji cited the requisite of being observant and to be organized to countenance any circumstance. In his lecture he asked the students to develop their way of thinking, to feel from heart, and work with hands for the development of the society. According to him human and spiritual values together are vital and are to be given more importance in the current education system. Swamiji focused on building a Resurgent India in the light of Swami Vivekananda teachings and philosophy. He stressed that every student is equipped with inner potential and hence this potential need to be awakened with conscious effort so they will shine as an enlightened citizen. He highlighted that we all should be selfless and how-to live-in harmony with others. He quoted Swami Vivekananda saying that *each nation has a destiny to fulfil*. Lastly, he told the students that our material prosperity should be steered through our regular concise. He encouraged students to develop self-confidence and build a strong character by reading the books of Swami Vivekananda. All the students and the faculty members were revitalised through his words and promised themselves for the betterment of their inner self and as a whole to the ~~society~~.

Ms. Prerana Simha, Psychologist, Yashoda Hospitals spoke of sensitive things and the changes that a child experience while entering into his/her adolescence and how to manage them. Addressing the students, she gave solutions in facing challenges in all situations at every part of their life. A detailed analysis was given by the resource person to get rid of all sorts of negative effects like inferiority, stress etc. She suggested several ways to improve physical and mental fitness, anger management in a comprehensive manner. A clear picture was given by her about the importance of persons in our life and in choosing the trust worthy ones. The lecture was concluded with a lot of inputs related to decision making, problem solving, and creative thinking to brighten the future to reach their goals.

Yoga classes were conducted as a part of this Induction program. **Deans** of various disciplines of our college also addressed the students and gave valuable inputs.

In continuation of the Induction program expert talks were held on the 10 January 2021.

Sri S Tirmal Reddy, Corporate Trainer spoke on the topic “**Being Efficient and Effective**”.

Dr J Praveen, Principal, GRIET addressed the students on the topic “**Innovations in Engineering Education**”.

Sri Anil Rachamalla, Founder, Endnow Foundation enlightened the students on “**Internet Ethics and Digital Wellbeing**”.

The entire induction program was conducted through Zoom platform and telecasted over YouTube live streaming. More than 1000 students were present for each session on any day.

List of Activities in brief:

1. Orientation Program
2. Human values and Professional ethics: Module 1 to Module 5
3. Basics of computers
4. Basics of English
5. “Goal setting for the B. Tech Course”, lecture by Sri M.G. Sekharam, CEO, GRES
6. “Strategic Plan to reach the Goal”, lecture by Sri M.G. Sekharam, CEO, GRES
7. Talk by Ms. Prerana Simha, Psychologist
