GRIET/HSCE/15A/G/2021-22

28/12/2021

Dean, HS & CE, & Coordinator, Students Mentoring, welcomed the faculty mentor coordinators.

He explained the various mentoring activities and methods of mentoring to the new departmental coordinators. He asked about the implementation of mentoring activities in the departments, file system, records and other issues.

Dean, has explained the time /slot based (with evidence based) mentoring system, and its importance in the each department from first year to final year of B.Tech students as well as to M.Tech students.

Dean, explained the Importance of Parental Teacher Meetings, counselling, Career Guidance and interactions with all the stake holders.

Taken the feed back from all the Department Mentor Coordinators on various activities under the HS & CE and Mentoring.

The following were present in the meeting
