| Summary of the Event | | Street Cause GRIET performed a wonderful feat on 30th August 2023 by completing a contribution campaign with the express objective of cheering up the less fortunate members of our community. This charitable endeavour, which was carried out with careful preparation and coordination, had as its main goal to make the lives of the poor happier. The Street Cause GRIET crew searched Hyderabad for seven places and laboriously delivered 32 boxes of biscuits to individuals in need. This deed not only made these people happy right away but also gave the community a long-lasting sense of cohesion and brotherhood. The success of this fundraising drive demonstrates Street Cause GRIET's constant commitment to helping. | | | | |

| Summary of the Event | In celebration of Ganesh Chaturthi, STREET CAUSE GRIET expressed its deep devotion to Lord Ganesha and its commitment to environmental consciousness. The primary objective was to offer a means of worshipping the deity that resonated with people's eco-friendly values. To achieve this, Street Cause proudly presented handcrafted earthen Ganesha statues available for purchase, aligning the rich traditions of the festival with a sustainable and eco-conscious approach. This initiative served as a poignant example of how spirituality and environmental responsibility can harmoniously coexist, encouraging individuals to honor their faith while respecting the planet. | | | | |

| Summary of the Event | One of the best ways to use resources efficiently for humanity is to reduce, reuse and recycle. With this in mind, we, the members of Street CauseGriet, organized BIG BOOK WEEK, an annual event at our college. As part of this arrangement, we collected old papers and books of students, as well as laboratories and observation books of all departments of the college. Finally, all the collected material was sent to ITC for recycling. Through this event, we managed to increase income and at the same time contribute to a greener society through the collection and recycling of paper waste. The proceeds from the event would be used for other social activities. | | | | |

| Summary of the Event | <p>The ZPHS School in Vinjapalli Village, Koheda Mandal, Siddipet District, was recently visited by members of SC GRIET, SC SWEC, SC KMIT, SC NGIT, and SC MGIT.</p> <p>It warms our hearts to share the incredible journey we undertook at ZPHS school in Vinjapalli Village. Witnessing the school's dedication to education despite their challenges moved us deeply. In our commitment to uplift their spirits, we provided essential lab and sports equipment and electrical equipment such as fans, ensuring a holistic learning experience for these resilient students.</p> <p>Later in the second phase of execution, on discovering broken benches and spoiled blackboards, we couldn't stand idly by. With empathy at the core, we distributed 40 three-seater benches, creating a space where comfort meets education. We even provided them blackboards which would help them rewrite their destiny.</p> | | | | |

Finally in the third phase of execution, on recognizing the importance of a nurturing environment, we delved into health and hygiene department. We renovated washrooms and constructed a kitchen shed to shield against harsh conditions.

Imagine the difficulties the cook experienced, fending off not just the weather but also naughty monkeys that would ruin their outdoor cookery. We remodeled the restrooms, creating a tapestry of cleanliness and dignity, using empathy as our guide. We built a cooking shelter to protect the cook's flame from the wind, creating a cozy refuge in spite of the bitter cold outside. Every project stems from a genuine desire to support not only education but also the comfort and well-being of the strong individuals studying in the ZPHS High School at Vinjapalli Village.

Budget Split:

First phase of execution

1. SPORTS EQUIPMENTS- 8000
2. SCIENTIFIC EQUIPMENTS- 17605

| <p>Summary of the Event</p> | <p>We are happy to announce the successful completion of project roshni at Gadwal, involving the installation of 70 street lights, impacting 1300 residents. The objective of this task was to enhance the safety and visibility of public areas during nighttime, ultimately improving the lives of the residents. Due to financial constraints, the residents reached out to us for help. We the team of SC Francis along with SC VNR, SC GRIET and SC JANFAU have setup 70 street lights in the village which has ensured safety and better visibility in the area during night.</p> <p>BudgetSplit: Francis-1,00,000 Vnr-30,000 Griet-13,750 Jnafau-30,000 Total Budget: 1,73,750</p> |

| Summary of the Event | | We are thrilled to share the successful completion of our latest endeavor in Gundlapochampally, involving setting up printers to facilitate education, raising awareness about higher education opportunities, and even promoting menstrual hygiene awareness. The objective of this task was to facilitate education through printer installation and promote awareness about higher education and menstrual hygiene in the community. We were dedicated to empowering our community with knowledge and support. | | | | |
| Expenditure (in rupees) | | Rs 3999 | | | | |

POs attained with this Event

(number and description)

PO8: Apply professional and ethical responsibility with the norms of engineering.

PO9: Contribute as individual and able to work with any multi-disciplinary teams for achieving the targeted goal towards organizational growth.

PO10: Compile and communicate, the developed complex engineering process by creating effective documentation, presentation, and assessment report, and communicate the entire advancement to the next successive hierarchical level.

PO11: Converge the Engineering, knowledge and skill, to manage multidisciplinary environmental projects within the permitted financial boundary and time.

PO12: Recognize and predict the future technological change, and adopt to focus on preparing and engaging in life-long learning.

| <p>Summary of the Event</p> | <p>We are pleased to announce the successful completion of our recent project at Aashreya Old Age Home in Bachupally. Our efforts focused on improving living conditions and well-being for the elderly residents. Key achievements included installing enhanced sanitation facilities, upgrading the drainage system, setting up an outdoor washing area, and installing an underground water tank for a reliable water supply. We also conducted a health camp to address medical needs and organized a mood upliftment meet with engaging activities. This initiative aimed to empower the elderly with better infrastructure, healthcare, and social engagement.</p> <p>TotalBudget:134490</p> <p>Budget Split: Outdoor washing area construction- Rs 14,000 Drainage system installation and enhancing sanitation facilities- Rs 80,000 Underground water tank installation- Rs 38,990 Eye-Checkup- Rs 1500</p> |

| <p>Summary of the Event</p> | <p>This year's RFC (Run for Change) fundraiser, held on March 31st, 2024 at Peoples Plaza, marked a monumental 10 years of giving back to the community. Sponsored by MyFitness, the event truly embodied the college spirit - a day bursting with energy, laughter, and a shared passion for making a difference.</p> <p>The festivities kicked off with a heart-pumping Zumba session led by the legendary Deepak Mourya at 6 am, setting the perfect energetic tone for the day. Hundreds of students, from seasoned runners to enthusiastic firsttimers, took part in the session.</p> <p>Then came the main event - the RFC run itself! Participants of all levels hit the pavement, fueled by their competitive spirit. 88</p> <p>After crossing the finish line, everyone was greeted by the laughter of comedian Rohith Swain, his jokes washing away the aches and pains of</p> |

|--|--|
| | <p>the run with a wave of hilarious honesty. And just as everyone thought the day couldn't get any more perfect, the Band Jammers took the stage, their music turning the plaza into a giant dance floor.</p> <p>It was a day of sunshine, laughter, and that magical feeling you get when you push yourself for a good cause.</p> <p>A huge shout-out goes to the RFC organizers and volunteers who made the event possible, as well as sponsors MyFitness and August Overseas Hyderabad for their unwavering support. Here's to many more years of the RFC tradition, inspiring students to make a positive impact on the community.</p> |

| Summary of the Event | <p>RUEDO, a national environmental fest organized by NSS, Street Cause and Green Campus Team on 14th and 15th March 2024 in Gokaraju Rangaraju Institute of Engineering and Technology, Bachupally. The fest aims to spread awareness about all the environmental problems faced by us in our daily lives and to find solutions. The event followed a village theme showcasing and promoting the nativity of rural areas. It had events like Pottery which takes us closer to the village environment by providing the participants a fresh and unique experience. Events like Project Expo encouraged the participants and students from reputed institutions to come forward with newer and astonishing solutions to environmental problems.</p> |

| Summary of the Event | <p>It warms our hearts to share the incredible journey we undertook at ZPHS School in Balgera Village, Gadwal. Witnessing the school's dedication to education despite their challenges moved us deeply. In our commitment to uplift their spirits, we initiated several significant improvements to ensure a comprehensive and nurturing learning environment for the resilient students.</p> <p>We began with classroom construction, building new, inviting classrooms to foster a thriving educational atmosphere. Recognizing the importance of sanitation, we also constructed modern and hygienic washroom facilities to promote health and hygiene. To enhance security, we built a compound wall that secures the school premises and maintains order. Understanding the need for holistic development, we organized awareness sessions on career paths and self-hygiene, broadening students' horizons and emphasizing personal care. Additionally, we focused on the renovation of the school premises, creating a vibrant and welcoming environment that inspires both students and teachers.</p> | | | | |
| | <p>Every step of this journey reflects our genuine desire to support education and the overall well-being of the students at ZPHS High School in Balgera Village, Gadwal. By investing in their environment and education, we aim to foster a brighter future for all.</p> | | | | |
