

QUIZZICALS'15

As a part of the institutional calendar, Quizzicals'15 annual event is conducted by Department of Biotechnology. Topics covered in Quizzicals are Current affairs and Static General Knowledge. Quizzicals was divided into Screening round, Stage rounds and Final. In Screening round, 100 teams participated, each team with 3 members. In this round selection was done by paper based exam in which students were given 20 questions and were asked to write the correct option within 10 minutes. Top 25 teams were selected from screening round for further Stage rounds. Stage rounds are further divided into General round and Rapid fire round. And final was the Wipe out Round. Students took active participation throughout the event and the Winners were felicitated.
