

GOKARAJU RANGARAJU INSTITUTE OF ENGINEERING AND TECHNOLOGY

SME-(Society of Manufacturing Engineers):

About SME student Chapter:

SME student chapter helps to build a member network in own backyard, meet potential customers, partners and employers, and gain leadership opportunities. Whether you are looking for help with a manufacturing-related problem, searching for a new vendor, building your list of professional contacts, looking for a new job or simply want to learn more about what's going on in your local manufacturing community.

OBJECTIVE: To serve the manufacturing industry as a nonprofit by promoting advanced manufacturing technology and developing a skilled workforce.
To work closely with manufacturers to share knowledge and resources that generate solutions meeting industry demands.

➡ SME is a Rich and evolving heritage spanning more than 80 years.

Vision: Inspired, educated and prosperous manufacturing community.

Mission: Promote manufacturing technology and develop a skilled workforce.

Purpose: Advance manufacturing and attract future generations.
