Place under the library stairs and in front of Block III (Basic Sciences).

Everyone who considers themselves a realist will be forced to justify their behavior in light of their contribution toward the preservation of the environment.-Ernst von Weizacker

Earth and sky, woods and fields, lakes and rivers, the mountain and the sea, are excellent schoolmasters, and teach some of us more than we can never learn from books. - John Lubbock

The best friend of earth of man is the tree. When we use the tree respectfully and economically, we have one of the greatest resources on the earth.
